

Registration for Pact Camp East

Pact Family Camp East is in high demand. We do have a limit of about 100 families who can attend and we came very close to selling out last year so in the event we become over enrolled we will institute a waiting list.

Families are required to put down a deposit of \$200 per person attending camp to be entered into the lottery (except for scholarship applicants who do not need to make a deposit).

The first round of Camp admissions will be made in early January; we anticipate that between 60 and 80 additional families will be notified and given the opportunity to complete their registration. After that, we will take registrations on a first come, first serve basis.

Once notified of the opportunity to attend Pact Family Camp, families will be given 10 days to finalize their registration by completing payment in full or alternatively a payment plan agreement as well as family information forms, which will finalize and confirm your participation at Camp.

In the event of over enrollment, families will be placed on the waiting list and will be notified if and when a space becomes available for their family. Families who are not given a registration slot will receive a full refund of their initial deposit.

Special Pricing (Families may qualify for one or both) and Scholarships

Family discount for adoptive parents of color and their families. Adoptive parents of color and their families are underserved in adoption. Pact is working to change this. Each year we celebrate the growing community of adoptive families of color at Pact Family Camp. As part of our ongoing effort to grow this community, we offer a \$250 family discount to the first 30 adoptive families of color who register for each camp.

Family discount for first-time campers. First-time campers describe Pact Family Camp as life-altering; over 90% of families want to return every year. To ensure that new children and their families can benefit from Pact Family Camp, we also offer a special discount of \$250 to the first 25 registrants at Camp East as a way of saying "Welcome to our community!"

Family discount for birth parents and their families. Because we value the presence of first/birth parents and their children at Camp we offer a \$250 discount to the first 15 families who apply as a way of saying "Welcome, you are valued members of the Pact community."

Scholarships to help lower income families. Scholarship funding is an option for all families with incomes under \$125K. Scholarship awards are based on need, so that lower income families are served preferentially. Funding is limited, scholarship awards will be given first come first served.
